

Attends®

Attends Stretch Briefs

The Attends Stretch Briefs provide ultimate protection for adult incontinence users who experience heavy to severe incontinence, with stretchable, breathable side panels.

The unisex brief is constructed with SecureGrip™ fastening, which provides a reliable and snug fit with an expanded fastening area, improving grip and easy application. ConfidenceCuff™ Protection helps prevent leaks around the legs, and a Dry-Lock® Core helps you stay dry throughout the day or night.

Experience premium softness and comfort with a cloth-like material. Additionally, it comes with odor control to help with freshness.

- Breathable Side Panels • Stretchable
- ConfidenceCuff™ Protection
- Dry-Lock® Containment Core
- Premium Softness • Odor Control
