

Dr Ho's Neck Pain Pro - TENS Neck Massager

How It Helps - Using patented AMP technology, DR-HO'S Neck Pain Pro stimulates muscles and nerves to help interrupt pain signals, activate muscles, increase local circulation and target the underlying cause of your pain to:

- **Help relieve neck pain**
- **Soothe sore shoulder muscles**
- **Alleviate arthritis pain**
- **Relieve joint pain**
- **Manage chronic pain**
- **Relax muscle spasms**
- **Increase range of motion**
