

Sigvaris Textile Gloves

For men and women - High-quality textile gloves with a latex surface providing a good grip when putting on and taking off compression stockings.

The new textile glove from SIGVARIS has the following benefits:

- Five different sizes ensuring a perfect fit for all sizes of hand (X small, Small, Medium, Large, X Large)
- Breathable fabric
- Excellent grip thanks to the textured latex coating
- Prevents damage to the compression stocking
- Make donning and removing medical compression stockings easier.
