

TENA ProSkin Overnight™ Super Fully Breathable Underwear

TENA ProSkin Overnight Super Fully Breathable Underwear quickly and efficiently draws moisture away from the skin, even with larger urine leaks, locking it deep inside the high-performance core for leakage security all night.

Made of soft, breathable materials that helps promote skin health for medium to heavy night time incontinence.

Enjoy a better night's sleep with TENA ProSkin Overnight Super Fully Breathable Underwear.

- Lie Down Protection
- Triple Protection for Skin Health
- ConfioAir Fully Breathable Technology
