

## **Wonder Bathtub Pole by Stander**

Offers support to prevent falls while bathing

- Ladder grab bar rotates and locks every 45°
- Closer proximity to the tub than regular grab bars
- Installs with tension between tub and ceiling – no drilling required
- Adjusts in height to fit flat ceilings from 7' to 9' tall • Weight Capacity: 300 lbs

### Perfect For:

- Most standard alcove bathtubs with flat sides • Standing from shower chairs and bath benches
- Balance and leverage while bathing
- Stepping in and out of the bathtub or shower
- Sitting and standing from the toilet
